Leading The People In A Prayer Of Repentance. Around 200 Prayed This Prayer For Salvation In The Three Night Tent Crusade.

I arrived in Moscow on Tuesday, September 14th, accompanied by Rev. W.M. Cobb of South Bay, Florida. Rev. Cobb was to eventually travel to one of the former Republics and plant a new church.

As always in Russia, my desire is to do the will of God and go where He wants me to go. Little did I realize that a last minute change of plans would take me to the forbidden land of Siberia. Of course, anyone who knows anything about Russia would know that this infamous area is where Lennin, Stalin and other communist leaders banished criminals, dissidents and Christians to the Gulag prisons.

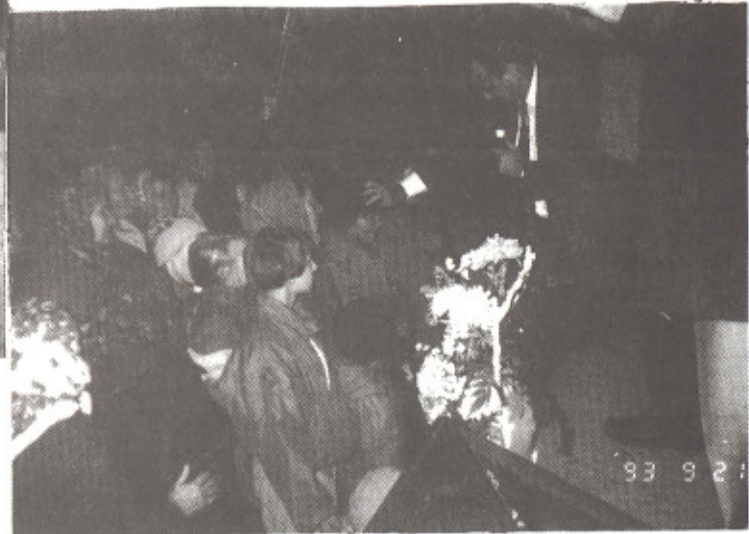

I had originally been scheduled to preach a crusade in the Ukraine. Those meetings would have large crowds and probably good spiritual results. Yet, I had not come just to preach evangelistic crusades, I had come to plant a church. So I took a four hour flight to Siberia and then we rode buses and cars for another eight hours to get to the city of Marcinsk. I believed we were in the will of God and arrived here without any previous advertisement, at least prior to my arrival.

The student who was to be the new pastor had been praying for a sponsor and God was sending us, in answer to his prayers.

The meetings weren't even announced until Saturday morning, and the services were to begin that night. The crowds were small and around twenty people prayed to accept Christ in the three services. Nevertheless, like Phillip of Samaria, we felt led to leave off going to the many, so that the few could hear the gospel.

Because of your support, we were able to rent a theatre building for the new church and pay the new pastor's salary for three months.

We did battle the enemy here in Marcinsk, as people came in and tried to disrupt the service on Sunday night. It was obvious, demons were at work, but God gave the victory.

Praying For The Sick In A Tent Crusade South Of Moscow.

I preached a three night tent crusade in a small city, south of Moscow. Bad weather had hindered erecting the tent, so the meeting was shortened.

The first night was cold, but around 200 people showed up. I preached on the subject "Jesus Christ The Saviour, Jesus Christ The Judge", and when the invitation was given, around 75 people came forward to pray the sinners prayer. I prayed for several sick folk that night, and many of the people received New Testaments.

The second night was even colder, but still a good crowd attended the service. After preaching that night, I gave the invitation for those who wanted to accept Christ to come forward. Among those who came was a fifteen year old orphan boy I had met the night before. He had been brought by the home where I was staying and had been left in the care of one of the believers. He had been put out of the orphanage and had no where to go and no one who cared. He had the saddest eyes of anyone I had ever met. It was almost more than I could bare, just to look at him. Before I met him, he said that he had become so hungry that he had cut his wrist, hoping to be sent to the hospital. He realized, there he could get some food. Its sad, but no one took him to the hospital. He tried to commit suicide by taking pills. His life had been so empty, there seemed nothing to live for. But, on the second night of the crusade, he found Christ. The church took him in, and fed, clothed, and gave him a place to stay. Yes friend, this is what the gospel and missions are all about!

Around 200 people prayed to accept Christ in the three day meeting. The tent will be stored for the winter months.

There have been thousands saved under the tent this summer. Please help me pray about the debt on the tent. I need a miracle soon to get this taken care of. Some have promised to help, but there's still no help.

The Lord willing, I will be returning to Russia in November, accompanied by a team of around twenty people. These will go out in groups and help plant churches.

I desperately need your support, now more than ever. Please take time and fill out the enclosed pledge card. When you stand before God, have something lasting and worthwhile on your record!

HUMANITARIAN AID ARRIVES!

The medical supplies we sent have arrived and are stored at the warehouse near Moscow. These items are desperately needed by hospitals who have little to work with. Thanks to all who donated for this effort!
