## "1993" God Gave Us A Great Harvest

"But God that giveth the increase." I Cor. 3:7

SEVEN CHURCHES PLANTED!  
EVANGELISM SUPPORT!  
HUMANITARIAN AID!**

### VICTORY REPORT!!

I want to report that God has given World Harvest Outreach our greatest year ever for ministry. An estimated 2,780 prayed to receive Christ in our Russian Crusades! These new converts were not left without an opportunity to become disciples. The crusades were held where a church had already been planted or in most cases where we planted a new church by preaching a crusade, renting a facility (normally for a year) and placing a pastor there who had attended the Bible School in Moscow. With Gods direction and your support I personally planted four new churches in Russia in 1993. With gifts from our supporters, World Harvest Outreach sponsored the planting of three other churches.

In November, I was accompanied by a group of ministers and laity, who planted five churches in Russia and the Republics.

Because of the support of caring churches and individuals, we were able to take in the finances for an evangelism team for the Republic of Georgia, (\$5,200 provides a van, new P.A. system and key board). These teams will preach evangelistic meetings and plant new churches. Thank God through your giving, we've been able to furnish bibles, send thousands of dollars worth of medical supplies and the list goes on! God did this through you!

In 1994, we hope to sponsor native evangelistic teams, who will be able to continue the work long after we are gone (if the door should close). I also plan to work with the students at the Bible School (there are now four other schools like the one in Moscow). I also plan to preach in conferences, tent crusades and continue to personally plant new churches (the Lord willing) throughout 1994.

To do this we need your help. If you would like to invest your support in a work that is obeying the great commission and that is following the highest set of ethics possible (the Bible), then you can support the International Ministries of World Harvest Outreach with confidence. Our only motive is two-fold, "please God" and "win the lost"! I have learned that if God is behind what you're doing, you don't have to beg. God has someone that He will supply the need through. Let us hear from you soon. If you would like to learn more about our work, give me a call, and I would be glad to share with you what God is doing.

Evangelist J. Darrell Turner With Rev. B.H. Clendennen

On March 5th, I plan to return to Russia with Rev. B.H. Clendennen, President of the Bible School in Moscow. We will be working with 125 of the first class of students who attended the school, in a five day meeting of prayer, fasting, and intense bible teaching and preaching.

We will begin the sessions each morning at 6:30 with much prayer then teach and pray more until 6:00 at night. No one will be able to leave the auditorium until 6:00 p.m. That time will be spent in fasting each day also. I could never emphasize enough the importance of this meeting and the impact it will have on the church in the former Soviet Union!

Brother Clendennen and I then plan to travel to the Urals and then to Minsk to minister in conferences. On March 22, I will return home.

I want to be able to help with the expense of bringing these students in for the meeting. The cost of operating the four other schools are enormous. I believe we can take some of that load off Brother Clendennen. My total expense for this trip including the support of these students will be around \$7,000.00. I'm depending on your prayers and support. Together we are a part of the history of the church.

### SCHOOL OF CHRIST

We are truly praying about the possibility of starting a Bible School here in the states that would be patterned after the one in

Moscow, Russia. The main curriculum that will be used is the Video School of Christ as taught by Rev. B.H. Clendennen. Much emphasis will be placed on prayer and fasting. The program would last at least three months and would consist of life giving teaching, prayer, fasting and truly seeking God for a last day revival. I believe revival is coming to a remnant of God's people, but for that to happen, a vessel must be prepared! For this school to become a reality, we must have facilities capable of housing the students, a cafeteria, and a chapel, which will serve as a classroom and place of worship. Please help me pray about this. If you or someone you know is interested in this, please contact me.

#### TESTIMONY FROM A SUPPORTER

First of all, I would like to say that I'm glad to know who Jesus is. Jesus Christ is Lord of my life. Back in August, I felt a need to give more money to God and His work, but I didn't know if it would fall into the right hands. God led me to Brother Turner and the work he's doing in Russia. I began donating \$20.00 a month for this cause and since I started giving, God has blessed me untold. I started receiving more on the month and God just keeps pouring it in. I believe if all give from the heart, God will surely bless us.

This testimony was not meant to imply that if you give, that God will give a certain amount back. It simply shows that God is faithful to those who support His work.
