MANY SICK AND ELDERLY ARMENIANS ARE STILL WAITING TO MOVE TO THE HOUSE OF HOPE, FROM THEIR STORAGE CONTAINER HOMES AND SHANTY APARTMENTS

May - August
Volunteer
166
2007

This elderly bedfast lady is waiting to get into the House of Hope. Her name is Siran Grigoryan and she is 75 years old. We can feed and take care of her, when we get a sponsor for her.

This is another elderly lady from Gyumri, which lost fifty thousand people during the 1980's earthquake. Many of these precious old people live in horrible conditions. Some have no running water or toilets! She freezes in the winter and has very little food. She is around 77 years old.

Summer has come to Vandazsor Armenia and the precious old people are outside (those who are able) enjoying the sunshine and warmer weather. The winter was one of the harshest in many years. The region was without water for many weeks, and we had to transport some in by truck to the home. We still only have water there for a couple of hours a day. Storage tanks are needed to fill up when the water is on. The home will be dedicated on August 18. The Mayor of the city donated surrounding land to the House of Hope as he is was so impressed with what has been done there. (To God be the glory!). World Wide Lighthouse is helping to send over a container full of things needed for the home. A vehicle, wheel chairs, clothes, shoes, etc. We need your help in this. Around \$6500.00 is still needed to pay the duty. Many precious old people are waiting to get into the House of Hope, but as of yet we still don't have a sponsor for them. In fact, some of the 30 who are already there don't have sponsors yet. We just keep on sacrificing here, so that we can pay the monthly bills at the home which are now running around \$5500.00 per month. A precious old person can be sponsored for \$100.00 per month. We do not ask others to do what we wouldn't, so we give personally, as does my family. You could give to no greater cause than to ministering to the widows and orphans. Please pray about becoming a sponsor and commit by faith and then God will supply all your need!

New beds for the House Of Hope

From storage containers to Fresh paint and new tile

Fire On The

Mountain 07

Pigeon Forge, Tennessee

Hosted By J. Darrell & Gwen Turner
River Of Life International
