Container Arrives In Armenia

A large container filled with multiple thousands of dollars of clothes, adult diapers, mattresses, beds, furniture, and more, arrived in Armenia for the widows and other poor believers. Also in the container was a Chrysler 4x4 to be used for the House of Hope.

God gave us a miracle in supplying the customs taxes for the container. All the equipment will be such a blessing to the precious widows who depend on God's people here in America to meet their daily needs. In the photos to the right, boxes of adult diapers are unloaded for the elderly, and the 4x4 is the first thing off the container.

Almost everything in Armenia has to be imported in from some other country. This tiny land locked nation has suffered much. Genocide, war, earthquakes and decades of communism, as part of the former Soviet Union.

Many items that were shipped in are almost impossible to buy here. Most of the things for sale are imported from Turkey and Iran and not very good quality. In the photos to the left, are desks and mattresses for the House of Hope. Also in the lower photo is Sister Veronica in a mountain of clothes that will be distributed to the poor.

Clothes from the container were carried into the villages and shared with the poor believers who live in poverty. You make this possible!

Here a poor Christian lady in the village receives a large bag of clothes and needed items to help clothe her children

When a widow recently passed away, the first thing sister Veronica wanted to know..”should we bring another one into the House of Hope”? The cost of gas, is increasing dramatically in Armenia and this is the major means of running electric plants, cooking, heating, etc.. This will affect the cost of taking care of these widows, as the nation braces for the impact it will have on electricity, food, and every daily need. I have no doubt, that we will take in more widows, because the same God who knows and cares, when a sparrow falls from the sky, will surely meet the need of these precious elderly widows who cry out to Him for their daily bread. The cost to provide for a needy widow is now around \$125.00 per month. We still have some without sponsors. We are also praying about starting another home in Moldova, the poorest country in Eastern Europe. GOD IS ABLE!

TAKING THE GOSPEL TO THE WORLD.

Please be praying for us to be in God's will as we plan to preach Christ, minister and train native preachers in these countries this year.

MINISTRY PARSONAGE

R.O.L. International has acquired 13 acres of property here in Tennessee for offices and a ministry parsonage.

As soon as the Lord provides we plan to start construction! We have volunteers from around the nation who are planning to come and work on the buildings.

PRESENT NEEDS:

2500 concrete blocks @\$1.25 each.
Total:\$3125.00

50 bags of mortar @ \$6.50 Total: \$325.00

25 yards of concrete for slab @ \$90.00 yd
Total:\$2250.00

These are just some major costs for us, to get started on the basement.

Please pray for miracles to take place for this project.

This will allow us to do more International mission work.

APARTMENT FOR SISTER VERONICA

In our last News Letter we shared our need to pay off Sister Veronica's apartment. She has labored faithfully for years ministering to the outcasts of this world and is worthy of having a decent place to live.

As of this printing, only \$16,925.00 is needed to pay off the apartment. This has been a miracle from God, since we started this project in December needing \$35,000.00

Please pray about giving to the Apartment for Sister Veronica. God will bless you abundantly and a great need will have been met for this Sister who has given all to follow Christ and minister to poor widows.

Please write Armenia Apartment on your check memo or put in a note with your offering.
God bless and Thanks again for giving.
